About WCM Investment Management:

WCM Investment Management, LLC, employs over 60 people who provide equity investment services to institutional investors across the globe. WCM's primary goal is to generate sustainable excess returns for these clients. The Firm’s competitive edge comes from a culture that inspires and empowers people across the organization.

Committed to Culture. Our investment experience has shown time and again that success stories are underpinned by intentional cultures focused around simple, achievable ends. This understanding is leveraged not only in our investment process, but more immediately at the heart of our organizational ethos. The result is an organization with true collaboration, innovative thinking, continuous improvement, and a meritocratic structure. Furthermore, WCM is a downright fun place to work!

Total Firm Assets Under Management: $49 billion (as of 12/31/2019)

Job Listing:

Summer 2020 Internships -- ESG Research Analysts

Location: Denver, CO

Did you start a small business when you were young? Do you enjoy escape rooms or solving problems? If so, this might be your opportunity. WCM is looking for student interns to assist the ESG Investment Team in Denver, Colorado. The intern’s primary responsibility will be to assist in global equity research. This involves assembling a mosaic of information about industries and companies from around the world and helping the team decide which securities to invest in. Some of the skills that prove important or essential include: accounting, researching, behavior economics, investigative reporting, decision making, statistics, organization, written/oral communication, and the courage to be different. If interested, please email Rolf Kelly (rolf@wcminvest.com). Include a resume and a brief cover letter (PDF format) answering the following: 1) Why does this job sound interesting to you? 2) Describe a business you admire and why. 3) What are you grateful for in your life and why?

Qualifications:

- Currently enrolled as a 3rd or 4th year undergraduate or graduate student
- Desire to live in Denver, Colorado
- Passion for research and learning
- Strong written and oral communication skills
- Detail oriented and organized
- Exudes WCM’s core values of Fun & Gratitude.
